One Team...One Goal

We are excited and proud to announce Operation "Clean Sweep", the upcoming 44th Annual Lincoln Day Dinner to be held on February 4, 2012. You can make a difference by your contribution and attendance to what is sure to be the event of the year. As in the past, we will have a VIP reception, silent and live auctions, a savory dinner, outstanding presentations; all in the fellowship of engaged Republicans.

Operation "Clean Sweep" will unite Republicans as one team in the fight for conservative values and principles. Never before in our history have we experienced the need for involvement as we do now as we approach the 2012 elections. This is a battle we simply cannot lose. We must deploy our resources to seize the high ground of conservative principles.

As you know, revenue from this event provides the Collin County Republican Party operating funds for the entire year. All funds raised stay right here in our county, sustaining our team's day-to-day operations and supporting our Republican candidates in the critical 2012 election.

The Collin County Republican Party is waiting for confirmation from a nationally known keynote speaker who will be able to share the absolute latest on the nation's fiscal debt and deficit situation with us. We will share the good news with you as soon as we receive confirmation. You will not want to miss a very personal presentation by a central figure in the fight for fiscal sanity.

With your support, generosity and involvement we can secure the Operation "Clean Sweep" objective in Collin County. There probably isn't a more pleasant way to participate in Operation "Clean Sweep". Join us by sponsoring a table for you and your guests.

There are three ways to reserve your table: 1) Return the attached form, 2) you may call us at **214-385-0059**, or 3) go on-line to **www.collincountygop.com/lincoln-day-dinner**.

See the back cover for contributing to either the live or silent auction. Donated items will contribute significantly to our success!

**Enlist now!
